NOTICE OF CORRECTION

Notice is hereby given that the following correction has been made to the proposed rule in Vol. 37 No. 38, September 23, 2011 issue of the Florida Administrative Weekly.

The following is added to the end of the SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION: The agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The proposed rule repeals will not require legislative ratification based on the following information. Rule 69B-156.119, F.A.C., is being repealed since it is obsolete. Rules 69B-156.120 and 69B-156.121, F.A.C., are repealed since they are duplicative of their correspondingly numbered rules in Chapter 69O-156, F.A.C., which are administered by the Office of Insurance Regulation. Based upon the economic analysis conducted by the Department and past experiences with rules of this nature, there will be no adverse effect on small businesses, economic growth, private-sector job creation, employment or investment in excess of the threshold requiring legislative ratification. There will also be no increase in regulatory costs in excess of the threshold requiring legislative ratification.
